**It is my pleasure to welcome you to Children of Hope Preschool and I hope you are feeling how happy we are to have you and your children here.**

**We are off to a great start! The kids are already settling in to their routines and friendships are being formed and/or rekindled. Our teachers are intentional with their routines and lessons so as to establish a happy, comfortable learning environment for your child. Each child is an important member of their classroom and relationship with their teachers and each other is key to their success. We are already seeing the fruits of these labors.**

**You have taken an important step in your child's education. These early years are so important and research has proven that these years are indicators of future success in school. We, in partnership with you, will best prepare your child for kindergarten and beyond. We look forward to the milestones we will accomplish together.**

*Welcome!*
